# Chief's Report

This month I want to talk about **using our resources to achieve the best outcomes for our members.**

Everything is getting more expensive. Things such as Insurance, equipment purchases and maintaining existing equipment, through to the cost of activities have a significant impact on Units, Groups, Districts and the State organisation as a whole.

Likewise the use of our **members time** is a resource we need to use wisely and to the best effect.

It is terrific to hear of Districts working together on programming and running combined events with other Districts such as Leadership Courses and camps.

For example Kingborough have planned, that as a District, they coordinate publicity in the local paper to ensure all Groups get good coverage and they direct enquiries to the most appropriate Group. The idea is that by working as a team, then Scouts as a whole benefits and all Groups will ultimately benefit. They will be running a District promotion of all the Groups with an Activity day in a high profile area. I know other Districts are working on similar plans, that's great.

Coordination between Units, Groups & Districts with Term Programs gives the opportunity to efficiently use equipment and leaders skills to undertake activities. Having multiple units doing the same activity on same night can enhance the experience for all participants.

As an example, a kayaking activity takes at least 2 qualified leaders. That translates to up to 12 Scouts on the water. With just 1 more leader that increases to 18 Scouts (different ratio for Joeys & Cubs, but the principle is the same). If there is a shortage of qualified adults in a Group or District, the outcome of a combined activity is that only 6 Leader hours (3x2) are needed for 18 Scouts to do the activity on 1 night, compared to 12 Leader hours (6x2) for to take out 3 lots of 6 Scouts over 3 nights. Maybe a Leader could have a night off as a result. Now that's efficient use of Leader hours. When a Unit or Group needs new equipment, think about finding out what other Groups are looking to do so as well. If Grant money is required, it is a stronger case having a coordinated approach and larger purchases often enable a better price to be negotiated. Maybe combined usage would save the amount that needs to be purchased.

The Scouts Tasmania Website has been upgraded to enable new member enquiries to be directed to the Group the person identifies and the GL will receive an email advising the details and they can contact that person to follow through. The efficiency of this is that our hard working State office staff have less call on their time directing enquiries, the GL gets advice as soon as the enquiry is made and most importantly, prospective member enquiries are handled in a timely manner.

Everyone can have input into how we do things. Don't think "someone else" will think of it, so if you have an idea, put it forward to the appropriate Support Team and work with them to develop it.

We need to continue to work smart and work together at District & State level. Enjoy what we do and always be looking for ways to do things in the best way possible.

Cheers

Phil

# Scout Report

Welcome to July!

This month I'm talking about:

- All Leaders Weekend,
- Numbers,
- the Commissioner's Challenge,
- Cuboree, and
- Clark Trophy.

## All Leaders' Weekend

46 leaders attended the ALW in the last weekend of June. It was a great weekend of fun, networking, learning, doing, and talking. 18 of the 46 joined the Scout section discussion on Sunday morning. The 18 were from a dozen different Groups!

Discussion ranged across:

- Sharing things which are working well around the groups represented

# Scout Report

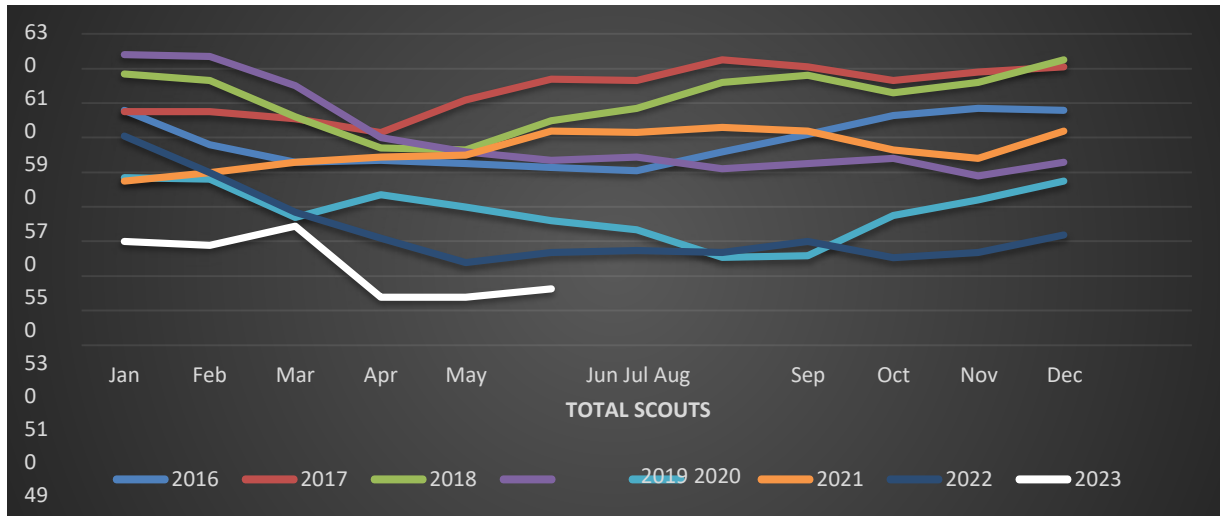

continued

- The role of District leaders to support groups and to support Scouts in the planning of their Adventurous Journeys
  - How to include Scouts in the planning of activities that they are to lead/assist
  - How to track/manage the activities and progress of the Scouts
  - How to develop positive cultures within a Group and a Unit
  - Cycling and cycle tours
  - Mariners Trophy and its reinvigoration
    - Communication amongst Scout Leaders and the creation of a calendar, FaceBook group, and posters for better provision of information about Clark Trophy and Corroboree to overcome the continuous issue of assumed knowledge
    - Corroboree 2024 (March 29th–April 1st at Fulton Park) — email to come shortly (as of time of writing this column)
    - Australian Jamboree and the opening of Expressions of Interest to attend/participate opening on July 1st. See <https://www.facebook.com/AusJamboree2025/> and <https://scouts.com.au/blog/2022/09/28/aj2025-jamboree-appeal/>
- Mount Stuart took home the ‘trophy’ for the best-represented group — with five Leaders.

## Numbers

Scout numbers are continuing to slowly climb, gaining 5 to 483. I'm told that some people don't like that I put the numbers in each month. I'm sorry if you're in that group, but I firmly believe that we have to know the context for what we're doing and how we are fairing compared to other groups, districts, and sections.

In the last month, for comparison, Joeys has increased by 23 and Cubs has increased by 6 (to 417) — so the pipeline is definitely building. Venturers has slightly declined further losing 3, and Rovers has declined by 4 over the month.

If you have a Scout leave, could you please ask the reasons, and either ask them or their parents to complete a short 'exit survey' or, could you fill it in on their behalf? The link is: <https://forms.office.com/r/HXvjqDWV4b>

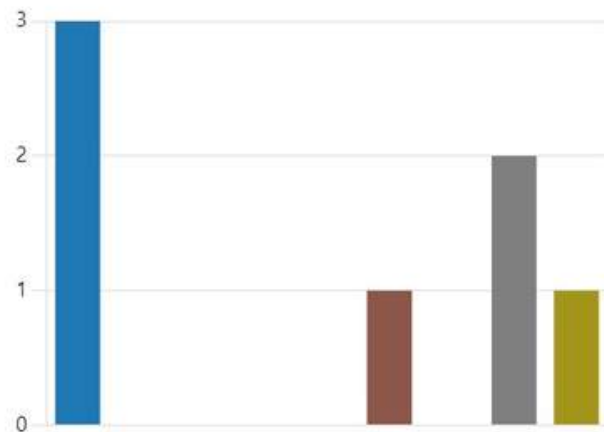

During June we had 2 recorded departures:

Both departures during June were from the Organisation and were because the Scouts weren't enjoying being Scouts any longer. The two departures were from opposite ends of the State.

### Commissioner's Challenge Competition!

This year the Commissioner's Challenge badge will be designed by a Scout. And perhaps it'll be one of your Scouts! Please share the competition with them and invite them to send their designs to me. This can be done by sending a photo of a drawing or by emailing a digital design. The winning design will be chosen by the District Scout Leaders and will be put on a 7.5x7.5cm badge. (It doesn't have to be square but it has to fit into the square!)

# Scout Report continued

Entries should contain the text “Commissioner’s Challenge 2023” and the Scout logo somewhere within them. Entries should be received by the end of Term 2, so please talk to your Scouts and get those designs in!

## Cuboree

Arrrr, this year be a Cuboree year, and the theme be Pirates!

A Scout or two will be required to support each patrol of Cubs. Scout leaders, could you please talk to your Cub leaders and also start talking to your Scouts to determine who would be a good choice to assist.

Scouts also run an Activity Base. If you have Scouts interested in assisting, please respond when I call for assistance but start talking to your Scouts now!

## Clark Trophy

In fourth term (November 18th and 19th) the next Clark Trophy will be held. It’s a light-weight hike camp this year and will be held on Oatlands. Patrols will be spread around the property camping in tents within 500m of a couple of leaders and need to walk around the property over two days solving problems at ‘nodes’ with leaders and answering questions scattered around the property as ‘point-to-points’. It’s a great fun weekend of independence and enjoyment for the Scouts and attendance from all Groups is encouraged. Please put it in your Calendar now and please try to avoid organising other camps/activities at that time.

See you next month.

Best wishes,

-Julian.

# Cub Report

It's the end of term 2 2023 already! I hope you and your Cubs have had an exciting term and enjoy some down time over the term break.

## All Leaders Weekend

Over the weekend of 24-25 June a bunch of leaders came together at Fulton Park for the annual "All Leaders Weekend." Some great topics were covered including Marketing, Behaviour Management & International Scouting. We attempted to hold some Pioneering & Navigation activities outside, however they were cut short due to the rain so instead held a trivia quiz (very well organised by Ruth – BC Joeys). On Sunday morning we broke off into sections and the Cub Leaders had some great discussions! Thank you to all those who were able to attend, and if you weren't able to this year, we hope to see you next year. Attached is a photo of all the Cub Leaders who attended.

## Commissioners Challenge

One of the discussion points at the all leaders weekend was the Commissioners Challenge. As there were very few who completed it last year it was decided to extend last years challenge into this year. The requirements are below:

Remember these can be completed at any time during 2023.

- Earn at least one SIA badge from *any* of the six areas;
- Participating/assisting in three activities from the Challenge areas (Creative, Community, Outdoors, Personal Growth), with (at least one from *each* of)
  - o their Patrol,
  - o their Unit, and
  - o another Group; and
    - complete the Stage 2 (or higher) requirements of an Outdoor Adventure Skill from *any* of the nine streams.

This should be achievable for Cubs by just attending the weekly meetings. If you need some help with joining another group please contact your DCSL for assistance & ideas.

## Cuboree 2023

Information about the 2023 Cuboree has now been sent out to all Cub Leaders. Please contact me if you have any questions or didn't receive the information.

## Grey Wolf Awards

Congratulations to the following Cubs who have achieved their Grey Wolf Award! This is a fantastic achievement!

# Joey Report

It's hard to believe that we are already at the end of Term 2 and are halfway through the year!

## All Leaders Weekend

Thank you to those that came to the All Leaders Weekend. It was fantastic to have a number of Joey Scout Leaders attending from across the State. Special thanks to everyone who helped in putting the weekend together.

## Scouts in Action Month

Scouts in Action Month is on again this August! This year Scouts in Action Month will be focussing on Solar Scouts in Action and environmental sustainability.

More information will be coming out shortly on the website at

[www.scoutsinactionmonth.com](http://www.scoutsinactionmonth.com) where you will be able to register your Joey Scout Unit. There is also a Scouts in Action Month Facebook Group that you can join

<https://www.facebook.com/groups/599078350674163>.

## Ratios

Just a reminder the ratio for Joey Scouts (both at the Hall and also away from the Hall) is a ratio of one adult to five Youth members with a minimum of two adults. This took effect as of 1 January 2020 and is in keeping with National Policy & Rules (P&R). Of course, this is always subject to your risk assessment for an activity, where you may determine you need a higher ratio of adults.

## Congratulations

Three Joey Scout Challenge Awards have been presented since the last newsletter. Congratulations to Elspeth Romoser and to Monica Holloway from the Mount Stuart Joey Scout Unit and to Robert Pilioras from the 4th Launceston Joey Scout Unit for achieving this Award. Well done to you all on all your hard work!

## Upcoming Events

At the end of Term 2 the Northern Region Joey Scouts will be enjoying their Regional Event. In keeping with this year's theme of "Out in the Community", the Joeys will be meeting at City Park where they will be playing wide games, enjoying

Term 3 is also going to be a very busy time for the Joey Scout Section. There will be a Southern Region Joey Scout Event at the Tasmanian Museum and Art Gallery, as well as an opportunity for the Joey Scouts to have a taste of the fun and excitement of the Cuboree. More details will be coming out soon.

## What is AJ2025?

### What is a Jamboree?

A Jamboree is often described as an “experience of a lifetime”. How else can you describe ten days packed with adventure, excitement, and fun? How else can you describe a city of 10,000 where everyone is a friend? How else can you describe a Scout camp that is so big it has to have its own medical centre, post office, newspaper, radio station, bus station and mall?

A Jamboree is a national event for the scout section, where they get to mix with both national and international scouts doing activities and being involved in an event that helps them to develop and learn new skills and be involved in creating some wonderful new memories for themselves and others.

Jamborees are the ultimate event for the scout section and something that all scouts should strive to have the pleasure of attending during their scouting lives.

Scouts will be placed into Units which may be a mix of their home troop with other troops from across the State. At Unit level you will then be broken into patrols

### When is AJ2025?

Aj2025 is to be held in January 2025 from the 6th to the 15th with the contingent dates for departure and return yet to be confirmed. Tasmanian contingent will also get the chance to do an after tour to the Gold Coast prior to their return home.

### Where is AJ2025?

AJ2025 is to be held at the Equestrian centre in Maryborough Queensland.

Maryborough is a part of the Fraser Coast Council area and is located approximately 45 minutes from the beach community of Hervey Bay.

### Who can go?

Any scout who will be under the age of 15 up until the 6th of January 2025 and is in the scout section. They must have slept a minimum of 10 night under canvas at a scouting event including a camp of 3 consecutive nights.

Milestone level 1 and stage 3 OAS Bushwalking, Bushcraft and Camping achieved.

It has been acknowledged that a number of scouts missed out because AJ 2022 did not happen due to covid. Currently the National Organising Committee are discussing changing the age of eligibility to 16 years as at January 6th 2025 to give those who missed out the opportunity to attend. No decision has been made at this stage but I will inform you of the outcome.

Scouts from many international countries also get the opportunity to go to an Australian Jamboree.

Any leader/adult can also join us either within a Troop or as a Service Leader assisting in running the activities. As with any scouting event they cannot run without both leader and parent support and attendance. You will be most welcome to join us. Venturers can also attend in a Service Role.

An important thing to note is that any scout can attend even if one of their home troop leaders can't make it. Tassie has a great team of Leaders to look after our Scouts.

In October 2024 there will be a compulsory shakedown camp where the scouts will get to meet their unit leaders and their unit members.

What do Scouts do?

Scouts who attend a Jamboree get to take part in many exciting activities both on and off site.

Offsite activities include "Your Sights" – Maryborough tour, "Your Outback" – Pioneer Village and "Your Seaside" – Water Based Activities.

Onsite activities are many and cover a wide range of fun skills and adventure some including Obstacle courses, Mud run, Frisbee golf, Circus skills, Your craft, Your tech, Your trade and many Night activities and performances at both the Main and Mini Arena's.

There are many new life skills to be learnt along with new lifelong friends to make from both Tasmania, Australia, and the world.

We would love to take as many eligible Scouts to this extraordinary once in a lifetime experience so watch your mail box as a letter will be coming your way very soon with more information and most importantly registration details.

Any queries or questions feel free to email me at:- [aj.cl@tas.scouts.com.au](mailto:aj.cl@tas.scouts.com.au)

Yours in Scouting

Leader training changes!! We have implemented the On the Job Training (OJT) and now everyone needs to try and gain an understanding of this, as NEW leaders need to use it but EXISTING leaders may be a Team Leader and also need to understand it. I challenge everyone that is an existing leader to log into the training portal and have a look and even fill in the YSL (Youth Support Leader) or PSL (Program Support Leader LOA in old talk) section. This is what you should see!!!

### Explanation of OJT
